Dear Christian Friends,

Jan. 8, 2017

Debbie and I would like to wish you a Happy New Year! We are looking forward to what God has in store for 2017. A special thank you to all those that sent us Christmas cards and Christmas love gifts. What a blessing and encouragement!

A quick review of 2016

We exceeded the amount of Christmas Joy gift bags given in 2015. In 2016, we received almost 8,000 from 167 churches in 21 states. We want to thank all the churches and individuals who sacrificially gave to assemble the gift bags and provided funds for the transportation expenses. Also thank you to all the groups that worked in our warehouse to prepare them for shipping. In 2016, we shipped Scriptures and needed supplies to the Fiji Islands, Mexico, France, England, Papua New Guinea, Philippines, Romania, Scotland, Liberia, Nicaragua and several disaster relief trips to WV, LA and TN.

We continue to praise God for Debbie's healing. This time last year Debbie was starting to use a walker after being bed ridden for a year and half. Today she is off all medication and traveling with me and also working in the office. While we were in FL picking up the Joy bags Debbie lead a lady to the Lord in a Wal-mart parking lot. God is so good!

Debbie learning to walk again Dec. 2015

Today, she is traveling with me.

Receiving a 20ft. container in Scotland

Reaching souls in MX many were saved

Prayer Request: As the ministry grows so does the need for more help. Recently I started a labor fund with a few love gifts given to the ministry. If you have always wanted to volunteer but, was unable due to distance, health reasons, time restraints, etc. will you consider giving to the labor fund monthly or a onetime love gift so we can employ people to help us?

Please pray for Bro. Thomas Green (our representative) as he leaves for Honduras this week. He will be checking into the possibility of launching a distribution center in Honduras. Missionary John Stammen and others hope to have the warehouse built by this summer.

We are in need of a good one ton van or a pickup that can pull a fifth wheel trailer. Our Ford 2004 van has 333,000 miles.

May God richly bless you as we work together to supply missionaries and reach the lost around the world. Thank you for praying and your investment in Directline Ministry!

For God's Glory,
Paul & Debbie Deem

Together making a difference for eternity!

We send Bibles and materials to missionaries, church planters, orphanages, and Christian schools in over 20 different countries around the world.
