Dear Christian Friends,

Thank you for being a part of Directline Ministry. Debbie and I have been busy traveling the last few weeks.

Delivered a shipment to Chicago that will be shipped to the Philippines.

Two trips to NY City where we delivered shipments for Honduras and El Salvador.

VERY IMPORTANT PRAYER REQUEST

I have worked with Pastor Elizer Casabuena since 1986 in Leon, Iloilo Philippines. He is pastoring Lighthouse Baptist Church, has a Bible College and helped start over 20 churches. His oldest son Emmanuel (22 yrs. old) is in the hospital and in need of surgery. He has a tumor that the doctor believe is cancerous. Pastor Elizer doesn't have the funds to pay for the medical expenses. In the Philippines if you don't have the money you don't receive the service. So far, an estimate of the cost of the medical expense is around \$2000. Pastor Elizer and his family lives on \$225 a month. Will you pray with me that the needed funds will be provided? If you would like to help with this need please mark the check for "Philippine Medical need". A check can be mailed or can give online at our web site.

For God's Glory,
Paul & Debbie Deem
