Dear Christian Friends,

Debbie and I have been busy traveling the last few month. We are in GA as I write this newsletter.

Elderly Muslim man receiving the Bible

AMMAN, JORDAN

DirectLine Ministry recently provided 690 Bibles in Arabic to a missionary working in Amman, Jordan. The missionary said, "We achieved our goal because of the love of Directline Ministry and their giving for this project among the refugees." A lady from the Iraqi refugees said: *I praise Him that He allowed us to suffer and come to Amman where we can know him and have the Bible in our hand.*"(54 years old) Thank you to those give to the Bible Club to make this possible.

Update on Debbie:

April 2016, Debbie going to Church on Easter Sunday using a walker. This was first time to attend Church in over 2yrs. Today, no medication working in the office, traveling with me, sharing her testimony and speaking at ladies meetings.

GOD IS SO GOOD!

Debbie with me sending supplies from NY to Granada for a new church plant.

Third trip to NY City this year shipping supplies to missionaries in Honduras, EL Salvador, Nicaragua and 3,000 Bibles to Cuba.

We plan to soon start shipping to a new distribution center in Honduras. Missionary John Stammen and others hope to have a warehouse built by this summer. It will serve the missionaries and pastors in Honduras as well as neighboring countries. We plan to ship several 40ft containers a year.

The Lord provided Directline Ministry through one of his faithful servants a diesel ¾ ton pickup truck. It is equipped to pull our 30ft gooseneck trailer and also our new 7ftx16ft enclosed trailer. What a blessing! We appreciate all those praying and supporting Directline Ministry. You are laying up eternal rewards.

Please pray for Pastor Elizer's son (Emmanuel 22 age) in the Philippines. He has a rare fast acting form of cancer. The doctors operated but, was unable to remove all of the cancer. The doctors want to start chemotherapy on him. He still need \$660 to cover the chemotherapy expense plus there will be other medical expense. If you would like to help with this need please mark your check, "Philippines Medical Need" Unlike the USA in the Philippines if the patient don't have the money in advance they don't receive the treatment.

If you would like to receive Directline Ministry updates by email please send us your email address. If you would rather receive the newsletter by email only please let us know. We send out email updates between the newsletters.

For God's Glory
Paul & Debbie Deem

Together making a difference for eternity!

We send Bibles and materials to missionaries, church planters, orphanages, and Christian schools in over 30 different countries around the world.
