Dear Christian friends,

God is so good! He is greatly to be praised! Debbie and I celebrated our 38<sup>th</sup> Wedding Anniversary on May 26. We also celebrated being in the ministry for 31 years on Mother's day. We want to thank all of those who sent us anniversary cards. They were greatly appreciated!

### **Up-date on DirectLine Ministry Shipments:**

Debbie and I took another load of supplies to be shipped from Chicago to Romania and to the Philippines. It was a blessing to be able to take a shipment of Arabic Scriptures for a new Church plant in Philadelphia, PA. The Arabic Scriptures were printed and donated by Mt. Pisgah Baptist Church printing ministry in TN. We sent our very first shipment of Scriptures to Ireland to a missionary. This week I'm on the way to Miami, FL to ship 30,000 Scripture booklets to Bolivia. I am thankful for the opportunity to work with Mt. Pisgah printing ministry, Bro. John Davis Gleaning for Christ Missions and other printing ministries. It takes God's Word to change lives!

### **Up-date on Emmanuel Casabueno (Philippines) Pastor Elizer's son**

Thank You to all who gave funds for his medical needs. The count of his cancer cells are way down. Praise the Lord! There will be more tests over the next several months.

### **DirectLine Ministry Christmas Joy Gift Bags**

Debbie is working in the office of DirectLine Ministry and keeping busy with secretary work and traveling. She is working on the Christmas Joy gift bags for 2017. If your church needs Christmas Joy gift bags please let her know by calling the office 740-667-6166 or send an email with the information. Last year we received close to 8,000. This year we are praying for 10,000 bags.

### **Prayer Request:**

1. 10,000 Christmas Joy gift bags for 2017
2. Safety as we travel
3. Souls to be saved as they receive the Scriptures
4. Representatives for DirectLine Ministry to work with missionaries around the world. Preferable Missionaries that came off the field for legitimate reasons with still a burden for missions.
5. Emmanuel Casbuena rare form of cancer for complete healing
6. Honduras-God to supply one million Scripture booklets
7. Debbie as she speaks to Ladies groups
8. New financial support for DirectLine Ministry

For God's Glory,  
Paul & Debbie Deem

**Together making a difference for eternity!**

We send Bibles and materials to missionaries, church planters, orphanages,  
and Christian schools in over 20 different countries around the world.
