Dear Christian Friends,

March 5, 2018

God is so good! Now let me tell you what God did for Directline Ministry. In the last newsletter I said Debbie and me were praying about relocating DirectLine Ministry to GA. It happened much faster than expected. After praying about the move for a year we put our house on the market. In ten days we had three offers and closed on the sale in November. Debbie and I had just started fixing up the ministry's office and the Lord sent a buyer without even advertising. He said he would buy it as is. We closed on the sale of DirectLine Ministry's property in Ohio Jan. 26th.

The Lord has provided a place to ship from and also to live. Rincon Baptist Temple in Rincon, GA is allowing us to live in their mission house temporary and setup our office. Faith Baptist Church in Ludowici, GA is allowing us to use their facilities to ship the next 40ft container to Puerto Rico. It is also a blessing to be near our children and 13 grandchildren. God is so good and always knows our needs.

Feb. 13th I put down a deposit and signed an agreement contact to purchase a warehouse in Statesboro, GA. The warehouse in Coolville, OH was 40ft x 80ft or 3,200 square feet. The one in Statesboro, GA is over 38,000 square feet with six rollup doors and four rooms for offices on 2.8 acres. After selling the property in Coolville and paying off the loan we have \$90,144.73. We are purchasing the warehouse and property for \$180,000 in Statesboro. A loading dock will need to be constructed and the offices renovated. DirectLine Ministry has been approved by a bank for \$100,000 loan. The new warehouse is only one hour from Savannah Port. This will help tremendously with the cost of shipping. Will you pray about giving a donation toward the purchase of the warehouse? Any donations will be greatly appreciated. A short video of the warehouse will be on our web site in the coming weeks. If possible, plan to attend the building dedication which will be held in a few months. If you are not on our email list please sign up so we can send you updates.

One of our representatives Bro. Thomas Green, just delivered a shipment to Miami that will be shipped to Haiti to a missionary. We are preparing to ship another 40ft container of disaster relief materials to missionary Johnny Daniels in Puerto Rico. Also in the near future will be shipping to Honduras, Fiji islands and Guatemala.

There is no change in DirectLine Ministry except the physical location. The Christmas Joy Gift Bag project, Scripture assemble, shipping to over 30 countries will continue and expand as the Lord continues to open doors.
