Dear Christian Friends,

It has been extremely busy with moving, unpacking and painting. The closing on our house and ministry warehouse were both in March with only a week in between. God answers prayer! In our last newsletter we told about relocating Directline Ministry to Statesboro, GA. The Lord provided a 38,000 sq. ft. warehouse with offices on a 2.8 acre lot. This is such a huge blessing for the Ministry. We have so much needed space. What a blessing! The Lord provided Debbie and me a house one mile from the Ministry. We are now moved into our new home. Praise the Lord! It is a blessing living in Statesboro near a sea port and especially near our children and grandchildren. We have two more grandchildren on the way. That will make a total of 15 grandchildren. Good is so good! Please watch our video of the new property on our web site.

We are now starting to work on remodeling the offices and warehouse. We are in need of replacing three 12 ft. doors and repairing two doors. We decided to hold off putting in a loading dock for now because of other needed repairs and expenses. We are using a portable air conditioner in one of the offices but, praying in the future we can put in central air in the 4 offices. It sure gets hot here in Georgia!

In just three months we have received 769,140 Scripture booklets, 26,218 New Testaments, 10,978 Bibles, 1/2 million Gospel tracts and various other materials to ship around the world. Shipments of Scriptures and other supplies has been shipped to the Fiji Islands, Papua New Guinea, churches in MX, and a new church plant in Ventura, CA.

We are preparing to ship 40ft. containers to Guatemala, Uruguay, Honduras and Liberia, W. Africa. A report has come back from the Cuba project. The remaining 15,000 Bibles were distributed and many are being saved.

We appreciate everyone that prays and financially support Directline Ministry. Thank you to all who gives to the Bible Club, assemble the Scripture booklets and to those that gave special love gifts for the warehouse loan. Also, special thanks to Gleaning for Christ Missions in WV, Mount Pisgah Baptist Church in Tennessee, Bearing Precious Seed in Ohio, Michigan and Fellowship Tract League in Ohio for providing Scriptures.

Debbie is mailing out the Christmas Joy Gift Bags to churches. Please pray about helping us this year and invite churches in your area to participate. We are receiving more request from missionaries than we receive bags.

We appreciate and thank all those that prayed and gave financially for Pastor Elizer's son Emmanuel medical condition (cancer) in the Philippines. Pastor Elizer wrote me the same day as their Bible college graduation (May 12<sup>th</sup>) his son Emmanuel graduated to heaven. Please keep his family and the ministry in Leon, Iloilo, Philippines in your prayers.
