

Christmas Joy Gift Bags

If you are participating,
let us know by **Oct.1th**

We start picking up bags at
churches and drop off
locations on **Nov.11-17th**

The deadline for warehouse
delivery/ mailing is **Nov.25th**

Getting Started-Choose an age group and gender, then purchase the items on the appropriate label below. We will supply your church with special ziplock bags for the project. Every bag needs to be filled to the exact specifications on the lists. This will eliminate problems with getting the bags through customs. Only fill the bags with new items.

Label-Tape the label inside the ziplock bag so it shows through window that's printed on the bag.

Expiration Date-The expiration date on the toothpaste has to be after June 1st of the following year.

Lollipops-Place lollipops in a small plastic baggie because they could melt in high temperatures

Donation-Please include a minimum of \$6 per bag to help cover ministry expenses. If you can give additional it would be greatly appreciated. One check can be written for several bags. **Do not put the money in the bag. Make checks payable to "DirectLine Ministry" with a memo for "Joy Bags."** Mail to Directline Ministry P.O. Box 38 Statesboro GA 30459. You can also donate on our website.
