Dear Christian Friend,

Sept. 26, 2018

God is so good! Six months ago we relocated Directline Ministry from OH to Statesboro, GA. Since that time we have sent out 9 shipments to missionaries. They were sent to a new church plant in CA, a church in FL, Haiti, Papua New Guinea, Fiji Islands, Mexico, Dominican Republic, Honduras and Guatemala. Two of the shipments were 40ft Containers. Directline Ministry shipped 10,556 Bibles, 65,832 New Testaments, 405,240 Scripture Booklets, 460,000 Tracts and other needed supplies. Along with shipping we are trying to get our offices remodeled. A special thank you to all those supporting Directline Ministry, providing materials and those that volunteered their time. You are investing in Eternity!

We are presently helping churches in North Carolina with Disaster Relief. Last week Bro. Green, one of our representatives delivered our first load. Thanks to Nehemiah Network Bro. Jenkins in Cleveland, OH for providing the supplies. A special thank you to those churches presently gathering supplies. If you haven't and would like to help with the Disaster Relief transportation funds are always needed. We will be delivering more supplies to the churches.

Please consider signing up for our email ministry update

Debbie is busy mailing out Christmas Joy Gift Bags for churches to fill. Last year we received 8,635 CJGB. We are praying for 10,000 this year. If your Church hasn't already requested bags please fill out the request form on our web site:

www.directlineministry.com Email or give us a call. The bags need to be ready by November 11th. Please mail the CJGB checks to our mailing address. We have a new 4 minute CJGB video on our web site with Debbie playing her guitar and singing a song she wrote for the Joy Bags. It can be down loaded to show in your Church. Thank you to all those participating in this project. By your sacrificial giving families are being encouraged and souls saved around the world. Every bag counts!

If you would like for Debbie and me to visit your Church to present Directline Ministry or give an update please contact us.

For God's Glory,
Paul & Debbie Deem
Founder and Director
