Praise & Prayer

The Lord is so good! I had a real blessing last Sunday afternoon. The Lord gave me the opportunity to lead my 14-year-old grandson to the Lord. Debbie and I have 15 grandchildren and our 16th to be born in October. We love being near our children and grandchildren and spending time with them.

Update on warehouse roof repair: The Lord has provided \$12,000 of the \$27,000 needed. We plan to do it in sections as we have the funds. Please pray with us about the remainder of the funds needed. Debbie and I want to thank everyone that is praying, supporting us financially and providing supplies. The Lord is using you to help us reach the lost, disciple believers and build churches around the world.

39 Countries and Growing

The coronavirus pandemic has made it difficult for people to attend churches both in the US and around the world. But, because of the pandemic the gospel is being preached and heard across the globe over the internet. The Lord is at work reaching the lost with the gospel even in remote places. We are trying to do our part by sending the written Word around the world. It is my desire to ship out as many Scriptures and other supplies as possible while we still have the opportunity. We have as of to date provided Scriptures to 39 countries. We are providing to some countries that are closed to missionaries.

Shipping to Philippines & Bahamas

June 3rd, we shipped another 1,386 Bibles to missionary Rick Martin in the Philippines. June 20th, we shipped our second 40ft container to the Bahamas of 920 Bibles, 11,700 Scripture booklets and disaster relief supplies. The building supplies were donated by Pastor Troy Winters ReUse Center in Dry Ridge, KY.

Columbia, and Neighboring Counties

The Lord has provided the funds to ship a 40ft container to Columbia and neighboring countries. We will ship the container when the country opens the seaports back up. We are providing a team of 200 pastors with supplies to start churches all over the country. The container will have 209,800 John/Romans Scripture booklets, 984 New Testaments, 1,713 Bibles and many other ministry supplies.

Honduras & Guatemala Containers waiting to be Shipped

We have two 20ft containers ready to ship to Honduras and Guatemala but, lack the funds. There are 489,420 John/Romans Scripture booklets waiting to be loaded into the container. If you would like to help with the cost of shipping it would be a tremendous blessing to a lot of missionaries and pastors. It only cost 2 ½ cents per Scriptures booklet to ship and it covers the cost of customs. For every \$10 will ship 400 Scripture booklets.
