April 29, 2020

Dear Christian Friends,

Debbie and I are praying for you and your church during this time of COVID-19 pandemic. We are living in some trying times. We are continually serving the Lord and watching for Jesus in the rapture.

In February, we shipped a 20ft container with 15,888 Bibles for missionary Rick Martin in the Philippines. We have another shipment of 4,112 Bibles we are preparing to ship him in the next few weeks. These Bibles will be given out at a Pastor's Conference. In March, we ship another 20ft container filled with over a million Gospel tracts to missionary Tim Lewis in Papua New Guinea.

Bibles for the Philippines

1,381,773 Gospel Tracts for Papua New Guinea

We have two 40ft containers ready to be shipped in the next few weeks. One will be going to the Bahamas and the other will be shipped to Columbia/Venezuela. There is a team of pastors in Venezuela that we are supplying with Scriptures. They are starting new churches all over their country. We also have 2-20ft. containers about ready to ship to missionaries in Honduras and Guatemala. A special thank you to all those praying and supporting DirectLine Ministry. You are helping us reach the world with the gospel.

We have been asked by several missionaries to ship supplies in the coming months to Spain, Norway, Paraguay, Brazil and India. Please keep us in your prayers as we work to reach as many souls as possible with the gospel.

Prayer Requests

1. Salvation of souls as the Scriptures are received around the world.
2. Wisdom and finances in shipping
3. Complete healing for Bro. Thomas Green (one of our representatives). He had an emergency surgery to remove a cancerous tumor. The Doctor said he was able to get all the tumor. He will have chemotherapy over the next several weeks. The Doctor said he should have a full recovery. If you would like to send him a special love gift to help with the expense, please mark it "Green's Expenses".
4. We are in desperate need of repairing our warehouse roof. There are several leaks throughout the building. Saturday, I received an updated estimate of \$27,000 to completely seal all the roof. We have \$2,130 of the amount needed. Please pray with us about this need.

For God's Glory,
Paul & Debbie Deem
