 Drop off between Nov. 11-16th.

How to fill a Christmas Joy Gift Bag

Please take time to watch our demonstration video on the website. Choose an age or gender, then purchase the items on the appropriate label below. We will supply the church with special bags for the project. Every bag needs to be filled to the exact specifications on the lists. This will eliminate problems with getting the bags through customs. Only fill the bags with new items.

A request for bags can be ordered from our website or by calling the office.
Label- Tape the label inside the bag so it shows through window that's printed on the bag.

Body Wash & Baby Wash - Tape the top of the lid and place into a separate bag before placing into the Joy bag. This will keep from leaking out into the bag.

Toothpaste- Remove cardboard from box before placing into the bag.

Donation- Please include a minimum of \$6 per bag to help cover expenses. Mail all checks payable to "DirectLine Ministry" with a memo for "Joy Bags." Mail to: DirectLine Ministry, P.O. Box 38, Statesboro, GA 30459
