URGENT!

UKRAINE AID

DirectLine Ministry is making plans to ship several containers of food, hygiene supplies, Bibles, bedding, and more to Ukraine through Romania. Will you please pray and ask the Lord what He would have you and your church do? Over 500,000 refugees have already fled, and many more will follow, because of the war with Russia. This means we must act now.

WHAT'S THE PLAN?

We are partnering with several ministries of like faith including Nehemiah's Network, Operation Renewed Hope, and Preach Evangelistic Ministries to gather materials and financial assistance to ship the containers.

WHAT CAN I DO?

- Contact us and let us know you plan to participate.
- Collect the items on the list and bring them to our warehouse, or we may be able to pick up items. (Address below)
- Volunteer to pick up supplies and bring them to the warehouse.
- Give financially by mail or through our website (please designate "Ukraine Project").

WHERE WILL SUPPLIES GO?

The ministries we are partnering with for this project have several missionaries in that area we will be helping. Loan & Loredana Dan, one of the missionary couples we are helping, have several churches they work with there, as well as camp grounds, where refugees are being housed. Food supplies are diminishing rapidly, and with this container of food and supplies, they will be able to help provided vital necessities.
