## Update on Ukraine Containers

We are so thankful for all those who have helped with supplies and with the cost of shipping. We are currently on our second container that will be shipped in a few weeks. Please pray the shipping lanes stay open as we are currently experiencing some delays.

### Bibles To Romania

DirectLine Ministry shipped boxes of Bibles donated by Cornerstone Baptist Church in Crossville, TN to missionaries in Romania. These Bibles will be distributed to some who have never had their own Bible.

### Shipping Delays

We are experiencing the effects of delays at the ports. We have 2 containers ready to go that have been rescheduled several times. Please pray with us that

### Upcoming Containers

- Scotland
- Honduras
- Ukraine
- Guyana, SA
- El Salvador

the Lord will allow the containers of Bibles and supplies to be shipped as soon as possible. It's all in His hands so we are trusting Him.

### Date Changes for Christmas Joy Bags

We have been advertising the changes we have made this year concerning Christmas Joy Bags. Please note that the new date is September 10th. Also, a few items have changed on a few age groups. We will be working to pick them up between September 12th-16th. This will allow us to get the Joy Bags into the hands of children around the world. Last year, we shipped 8,000 Joy Bags into 7 different countries. Each year we get more requests. Pray with us that we will be able to ship 10,000 this year! We always include a Scripture booklet in each bag.

Please go on line to [www.directlineministry.com](http://www.directlineministry.com) to see the new changes in packaging the bags for this year.

Thank you for your prayers and support! God bless you!
