July-August 2022

Always Grateful

We are thankful for your faithfulness, prayers, and support. Because of you, we have been able to ship over 85 tons of Scriptures and supplies to missionaries around the world so far this year. We also want to say thank you to all the volunteers who have given their time to help load containers and pack supplies at the DLM warehouse. If you or a group would like to schedule a time to volunteer at DLM, let us know, and we will be happy to have you!

for evangelism in their communities.

The Ukraine Container Delivered

We are so grateful for the opportunity to work with several churches in getting much-needed supplies to the war-torn country of Ukraine. We have been told that there are over 9 million refugees as a result of the war. Pray with us as we make plans to send a second container very soon.

Honduras Container Delivered

Praise the Lord that the Honduras container shipped to Missionary LeRoy Rolston arrived in Honduras. The container consisted of tables and chairs for their Christian school as well as over 1 million tracts given by the Macedonia World Baptist Missions tract printing ministry. We pray the Lord will use them for the salvation of many in Honduras.

Future Containers to El Salvador and Nigeria

DirectLine Ministry has received over 500,000 Scripture booklets that will be shipped to El Salvador and Nigeria very soon. Please pray with us that they will arrive without any unexpected issues and that God's Word will go forth in those countries with great power!

DirectLine Ministry shipped a container to Scotland that arrived this past month. The container was filled with supplies for missionaries as well as over 152,000 John & Romans. They will be distributed to 3 churches
